

EXTREMELY IMPORTANT

These items do NOT belong in recycling bins; they can cause serious damage and injury

NO PIPES!

NO NEEDLES!

RIRRC facility shutdown time to clear needles cost \$76,000 in losses last year. That's less money back for our Town!! Needles do NOT belong in recycling bins!

NO ROPE!

NO CHAINS!

NO CABLES!

Pipes, chains, cables and ropes cause serious equipment damage; they also put RIRRC sorters at risk, mechanics at risk, lost time fixing. LOST TIME = LOST MONEY
